PROPERTY OVERVIEW

1131–1145 West Custer Place is a well-maintained 16,000-square-foot multi-tenant industrial warehouse nestled in Denver's prime Upper South Central submarket. This functional free-span warehouse boasts 8- to 16-foot clear heights, a 10' x 10' drive-in loading door, 3-phase power, and approximately 10–15% office build-out. Zoned I-A by the City of Denver, the property caters to a diverse range of light industrial uses. Currently, a 3,600-square-foot unit is available, featuring high-end office finishes that make it an ideal choice for users seeking a clean, professional workspace combined with warehouse capabilities. This central metro location offers excellent access to I-25, Santa Fe Drive, and Downtown Denver, making it a strategic choice for businesses requiring convenient distribution routes and proximity to the city core.
